A Heartbeat Away: A Novel Harry Kraus

When a brilliant surgeon undergoes a heart transplant, her life transforms as she begins experiencing memories of a murder she never witnessed.

The residents worship her. Nurses step out of her way. Her colleagues respect and sometimes even fear her. But surgeon Tori Taylor never expected to end up on this side of the operating table.

Now she has a new heart. This life that was formerly controlled and predictable is now chaotic. Dr. Taylor had famously protected herself from love or commitment, but her walls are beginning to crumble.

And strangest of all, memories surface that will take her on a journey out of the operating room and into a murder investigation.

Where there once was a heart of stone, there is a heart of flesh. And there is no going back.
