Mark Jones

Antinomianism: Reformed Theology's Unwelcome Guest? Mark Jones

an·ti·no·mi·an (noun)—One who holds that under the gospel dispensation of grace the moral law is of no use or obligation because faith alone is necessary to salvation. —Merriam-Webster's dictionary

Hotly debated since the sixteenth century in the Reformed theological tradition, and still a burning issue today, antinomianism has a long and complicated story.

This book is the first to examine antinomianism from a historical, exegetical, and systematic perspective. More than that, in it Mark Jones offers a key—a robust Reformed Christology with a strong emphasis on the Holy Spirit—and chapter by chapter uses it to unlock nine questions raised by the debates.
