Chrissy has long Idolized the pirate lifestyle, and especially Ching Shih - a female pirate and one of the only pirates to actually "win" at pirating. Problem is, she lives the modern day, where pirates are something to be for Halloween, not something to want to grow up as. Not having much beyond her dreams, she finds and stows away on a pirate ship, not expecting much. But when she discovers these modern day pirates may in fact be time-lost, she also discovers her dream may not be as out of reach as she thinks.

Chrissy manages to rustle up some clothes, take on the moniker Red, and is able to pass as a young man. Before she can find another place to hide-out, the Captain, the sea-worn Neckbeard, takes a liking to her. Does he know her secret?

After meeting the only other woman on the ship, the Bronze-skinned Tessa, Chrissy learns she is an Amazon. The two come to find more in common than just being women! Tessa's tantric techniques bring Chrissy to the verge of collapsing from pleasure. This Story contains rowdy pirates, lesbian action, amazons, and Gender Ambiguity!
