Cost Accounting A Managerial Emphasis (13th Edition) - Instructor's Manual John Stancil, Charles T. Horngren, Srikant Datar, George Foster, Madhav Rajan, Chris Ittner

There were three primary goals in writing this manual: to minimize your need to consult the textbook while teaching; To help an experienced professor gain some new ideas and insights into the material. To give a new instructor step-by-step guidance for teaching the class. This Instructor's manual includes transition notes to highlight key changes to each chapter, correlation charts showing which end-of-chapter problems have been added/deleted/revised, teaching tips, "flags" where students have difficulty, and suggests ways to make accounting issues relevant to students. (Taken from the preface/opening letter by John Stancil, found after the Table of Contents)
