Rose did not understand just how difficult **dominance** could be. It was more than just holding a whip and placing clamps. She had to manage the day-to-day **discipline of a submissive**.

When Rose and Mandy learn to balance rules and play, Rose gains more confidence in her Dominance, and a true affection for the beautiful submissive. Only, Mandy does not belong to her. She **belongs to Marcus**, the man who has also taken ownership of Rose's heart.

He will want his submissive back.
