Fishing the Bucktail, Mastering Bucktails from Surf and Boat John Skinner

Bucktail jigs are often called the world's most versatile lures because they'll catch almost any species of fish and work under a wide variety of conditions. In what is unquestionably the most comprehensive book on bucktailing ever written, expert angler and fishing writer John Skinner brings the reader along on an in-depth look at bucktail techniques and strategies in a variety of settings from surf, boat, and kayak. Ocean beaches, deep rips, shallow inshore waters, and rocky shorelines are among the environments explored in pursuit of striped bass, bluefish, and fluke. Chapters on bucktail jig composition and construction will enable readers to choose, build, and customize jigs for their specific applications. This book is a must read for all anglers who want to take their fishing to the next level
