The Ships of Merior (The Wars of Light and Shadow, Book 2) Janny Wurts

Janny Wurts's epic tale of two half-brothers cursed to life-long enmity continues in this spectacular second volume.

The half-brothers Arithon, Master of Shadow, and Lysaer, Lord of Light, have defeated the Mistwraith and dispersed the fogs that smothered Athera's skies. But their victory comes at a high price: the Mistwraith has set them at odds under a powerful curse of vengeance. The two princes are locked in deadly enmity, with the fates of nations and the balance of the world's mystical powers entangled in their feud.

Arithon, forced out of hiding, finds himself hounded by Lysaer and his mighty army. He must take to his natural element – the seas – in order to evade pursuit and steal the initiative. However, his efforts are impeded by outside magical factions, not to mention a drunken prophet sent to safeguard his life, but who seems determined to wreck his cause by misadventure.
