The reclusive and endangered snow leopard, is one of the many fascinating species covered in this guide. The World of Wild Cats – edited by world-famous naturalist Jeff Corwin – teaches about the way wild cats evolved, how they are built and how they behave, reproduce and survive in different habitats around the world. It also highlights some of the most familiar and unique species found worldwide, their current status, what to do if you encounter a wild cat in the wild and what you can do to help to conserve and protect these spectacular creatures. This folding pocket guide is the ideal reference for cat-lovers and teachers alike. Made in the USA.
