Jennie Lindon

Understanding Child Development: 0-8 Years, 3rd Edition (Linking Theory and Practice) Jennie Lindon

Understanding child development 0-8 provides you with thorough coverage of theory about how young children develop and the practical implications of research. This book will enable students and practitioners to understand what happens within early childhood and factors that promote secure learning and well being. The author focuses especially on the importance of personal, social and emotional development, the significance of developing communication skills and the contribution of young children's physical development.

This book is part of Jennie Lindon's series 'Linking Theory and Practice'. The established approach provides accessible descriptions of relevant theory and research, yet links this information closely to best practice with young children and families. The content and style of the series has been developed to support students on Early Childhood degree programmes, Early Years Foundation Degree courses, practitioners working towards Early Years Professional Status and also experienced senior practitioners extending their professional development and that of their team.
