We would all prefer to maintain some level of control and avoid suffering at all costs. That's one main reason we work out, take vitamins, and check our heart rate -- in hopes of not having to suffer in the future. But the Bible clearly teaches that no one is exempt from suffering and sickness.

In *Will God Heal Me?* the late pastor and author Ron Dunn waded through the misconceptions about human suffering to illuminate the unequivocal love, sovereignty, and goodness of God. This new edition of his acclaimed work introduces his teaching to the next generation that will surely benefit from this biblical insight.
