A Tale of Two Cities- Book 1, 2, & 3 Charles Dickens

A Tale of Two Cities is the second historical novel by Charles Dickens, set in London and Paris before and during the French Revolution. It depicts the plight of the French proletariat under the brutal oppression of the French aristocracy in the years leading up to the revolution, and the corresponding savage brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution. It follows the lives of several protagonists through these events, most notably Charles Darnay, a French once-aristocrat who falls victim to the indiscriminate wrath of the revolution despite his virtuous nature, and Sydney Carton, a dissipated English barrister who endeavors to redeem his ill-spent life out of love for Darnay's wife, Lucie Manette.

Nancy Barry:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
