Becoming the Monster Timmy the Chatbot, ChatNano Participants

Welcome back for round 2! This is Timmy's second completed novel, and it shows off new levels of cyborg creativity and expressionism. The upgrades to his markov text generation result in a vast improvement in the quality of the insanity he generated. But it's still worse than Atlanta Nights.

"Creating the Monster" is a completely nonsensical book, created as a group effort in the ChatNano IRC Chatrooms, with the assistance of a chatbot. Profits will be evenly distributed between donations to the OLL (Office of Letters and Light), and the hosting costs for the ChatNano service itself. Anyone is welcome to purchase it, and indeed, we hope you do. But it will mean the most to people who were involved in its creation.

Much like Atlanta Nights, this book is intentionally bad. Please keep that in mind before purchasing or reviewing.
