College professor Jessica Savoy is used to running a tight ship in her class. But college freshman Celia Sinclair has caused her class trouble one time too many. Calling her for a meeting after class, and giving her one more chance to change her rebellious attitude, Celia instead doubles down on her disobedience. This drives Professor Savoy to give Celia a crash course in discipline, submission, obedience, and the erotic pleasure of being instructed in them all by a beautiful older woman. Though Celia is first hesitant, she quickly grows enthralled by the ecstasy of obedience to her professor.

In this 4,200 word erotic story, you'll find an older, beautiful woman giving instruction to a younger woman who needs to be taught respect. This includes spanking, oral sex, and using one's fingers in order to drive someone crazy with submissive lust. All participants in this story are eighteen or older. Mature audiences only.
