The Bitch Posse Martha O'Connor

These are the confessions of the Bitch Posse. Cherry, Rennie, and Amy were outcasts, rebels, and dreamers. And their friendship was so all-encompassing that some would call it dangerous. This is the story of three women-as seniors in high school and as women in their mid-thirties---who formed a bond in order to survive the pitfalls and perils of their lives. In the present day, one of them is a wife and mother-to-be, trying to live a "normal" life. One of them is a writer who engages in a number of self-destructive relationships. And one of them is in a mental hospital---and has been ever since that one fateful night fifteen years ago, when a heart-wrenching betrayal and the unraveling of relationships led them to a point of no return, where their actions triggered unimaginable consequences. These secrets have torn them apart while inextricably binding them to one another. What happened to them? And can they survive their shared history, even today?

The Bitch Posse is an anthem for friendships that defy society's approval or disapproval. It's a novel of secrets, courage, sacrifice, and hope against the odds. It is both a journey back to being a girl on the verge of adulthood, and a journey forward, showing how the events of our past can unearth the best in us today.

Dare to jump in.

"The Bitch Posse is a riveting and emotionally charged read. No fluff here."

--Chicago Tribune
