The Russian Word for Snow: A True Story of Adoption

Janis Cooke Newman

The Russian Word for Snow: A True Story of Adoption Janis Cooke Newman

Janis Cooke Newman first saw the baby who would become her son on a videotape. He was 10 months old and naked, lying on a metal changing table while a woman in a white lab coat and a babushka tried to make him smile for the camera.

Four months later, the Newmans traveled to Moscow to get their son. Russia was facing its first democratic election, and the front-runner was an anti-American Communist who they feared would block adoptions.

For nearly a month, the Newmans spent every day at the orphanage with the child they'd named Alex, waiting for his adoption to be approved. As Russia struggled with internal conflict, the metro line they used was bombed, and another night, the man who was to sign their papers was injured in a car-bombing.

Finally, when the Newmans had begun to consider kidnapping, their adoption coordinator, through the fog of a hangover, made the call: Alex was theirs.

Written with a keen sense of humor, *The Russian Word for Snow* is a clear-eyed look at the experience of making a family through adoption.

From reader reviews:

Virginia Mack:

Reading a e-book can be one of a lot of task that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new details. When you read a e-book you will get new information because book is one of numerous ways to share the information as well as their idea. Second, looking at a book will make you more imaginative. When you reading through a book especially tale fantasy book the author will bring you to definitely imagine the story how the figures do it anything. Third, you can share your knowledge to some others. When you read this The Russian Word for Snow: A True Story of Adoption, you may tells your family, friends in addition to soon about yours guide. Your knowledge can inspire others, make them reading a e-book.

Sylvia Silva:

Reading a book tends to be new life style with this era globalization. With reading you can get a lot of information which will give you benefit in your life. Having book everyone in this world could share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their very own reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on earth always try to improve their talent in writing, they also doing some study before they write to the book. One of them is this The Russian Word for Snow: A True Story of Adoption.

Juan Crowe:

Your reading 6th sense will not betray you actually, why because this The Russian Word for Snow: A True Story of Adoption e-book written by well-known writer we are excited for well how to make book that may be understand by anyone who also read the book. Written in good manner for you, leaking every ideas and writing skill only for eliminate your own hunger then you still uncertainty The Russian Word for Snow: A True Story of Adoption as good book not merely by the cover but also with the content. This is one reserve that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick that!? Oh come on your looking at sixth sense already told you so why you have to listening to another sixth sense.

Ella Straw:

What is your hobby? Have you heard that question when you got scholars? We believe that that problem was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. So you know that little person just like reading or as reading become their hobby. You need to know that reading is very important in addition to book as to be the issue. Book is important thing to provide you knowledge, except your teacher or lecturer. You find good news or update about something by book. Different categories of books that can you go onto be your object. One of them is actually The Russian Word for Snow: A True

Story of Adoption.
