Managing Product Management: Empowering Your Organization to Produce Competitive Products and Brands Steven Haines

Build better products by expanding the role of Product Management

Managing Product Management argues that product management should be reinstituted as a key source of innovative ideas that solve broad market problems. It illustrates how to organize the product management function of a company to create, build, and produce innovative and game-changing products and services.

Steven Haines is the founder and president of Sequent Learning Networks, a training and advisory services firm with an international client base. He held leadership roles for AT&T and Oracle and was adjunct professor at Rutgers University's business school.
