*sweeps readers into the ballrooms and boudoirs of Regency-era London and on to the Scottish Highlands in a sizzling tale of scandal, deception, and breathtaking passion.*

Charlotte Nash is the most impulsive of the Nash sisters. Using her position as one of London's most popular and naughty debutantes, she assists English spies in conveying messages that will help them infiltrate Napoleon's inner circle -- *and* fulfill the mission her father died trying to achieve. But only as a courtesan can she infiltrate London's most notorious gatherings and retrieve a crucial document. Is she ready to take part in a deception that will leave her reputation in shreds? And when Highlander Dand Ross -- a dangerous, disreputable blackguard -- reappears in her life and offers his aid, dare she accept it? The exquisite pleasure she finds in his arms might be worth the price of her surrender, but is the dark Highlander who loves her so passionately really just luring her toward the ultimate betrayal?
