Sachin Tendulkar - LEGENDARY MEMORABILIA Sreenath Aravind, David John

Sachin Tendulkar is the most celebrated cricketer in the whole cricketing fraternity. Regarded by millions of fans as the God of the game, he is perhaps the best thing that ever happened to cricket. This is not just another book on Sachin's cricketing achievements. It is the journey of a man who dreamed big, stretched his arms towards the sky and reached the summit.

For all his fans and fanatics, Sreenath Aravind brings together a perfect tribute to the champion player after his retirement.

Sachin Tendulkar- Legendary Memorabilia shows the man behind the idol, the young boy who has grown into a mature man, and yet retains all the passion and zeal with which he first started his international career. The book not only covers his life as a cricketer but also delves into his personal life. Many interesting incidents from his early life and family life have also been included in the book, which should make for a compelling read.

Sreenath Aravind recognizes, appreciates and lovingly documents the impact of Sachin Tendulkar on the world of cricket. This book will add spice to the Legendre of Tendulkar. If you think, as many of us do, that you know all about Sachin, turn the pages and try answering what Sreenath has unearthed by his painstaking research. As we enter a new age of cricket without the colossal presence of Sachin Tendulkar.

That battering from Tendulkar is feelingly described in this book, but so is much else. We have here a vivid portrait of the early days of Sachin, his growth from a shy 16 year old to the master of cricket. And we read crisp analyses of the great innings he has played for India. At the same time, there is a vivid comparison of Sachin Tendulkar with Brian Lara, Ricky Ponting and also the eternal discussion of Don vs Sachin. In the end, though, this is a celebration, a deeply informed celebration, of a great cricketing life. That is how it should be.

About author

Sreenath Aravind is a well known sports journalist and cricket enthusiast. Being a lover of sports and cricket, he combines his two interests by writing books about sports. His books are well researched and are a repository of fascinating facts about the world of sports. Apart from all these he is an ardent fan of Sachin Tendulkar, has watched him right from the start of his career.
