The Lord of the Rings

J. R. R. Tolkien

The Lord of the Rings J. R. R. Tolkien

Continuing the story begun in *The Hobbit*, all three parts of the epic masterpiece, *The Lord of the Rings*, in one paperback. Features the definitive edition of the text, fold-out flaps with the original two-colour maps, and a revised and expanded index. Sauron, the Dark Lord, has gathered to him all the Rings of Power - the means by which he intends to rule Middle-earth. All he lacks in his plans for dominion is the One Ring - the ring that rules them all - which has fallen into the hands of the hobbit, Bilbo Baggins. In a sleepy village in the Shire, young Frodo Baggins finds himself faced with an immense task, as the Ring is entrusted to his care. He must leave his home and make a perilous journey across the realms of Middle-earth to the Crack of Doom, deep inside the territories of the Dark Lord. There he must destroy the Ring forever and foil the Dark Lord in his evil purpose. Since it was first published in 1954, *The Lord of the Rings* has been a book people have treasured. Steeped in unrivalled magic and otherworldliness, its sweeping fantasy has touched the hearts of young and old alike. This single-volume paperback edition is the definitive text, fully restored with almost 400 corrections - with the full co-operation of Christopher Tolkien - and features a striking new cover.

From reader reviews:

Sandra Davis:

Nowadays reading books be a little more than want or need but also become a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The data you get based on what kind of book you read, if you want get more knowledge just go with knowledge books but if you want really feel happy read one together with theme for entertaining for example comic or novel. The The Lord of the Rings is kind of e-book which is giving the reader unpredictable experience.

Kathy Donnelly:

Is it you actually who having spare time subsequently spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This The Lord of the Rings can be the reply, oh how comes? The new book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these guides have than the others?

Sean Mills:

That publication can make you to feel relax. This particular book The Lord of the Rings was colorful and of course has pictures on the website. As we know that book The Lord of the Rings has many kinds or category. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and feel that you are the character on there. So , not at all of book are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for you and try to like reading this.

Fern Gooding:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Lord of the Rings can make you really feel more interested to read.
