"If you're like me and find the business of entertainment fascinating, we're going to have some fun together, because in this book I'm going to share with you some personal, humorous, and memorable moments--moments I have experienced over the five decades that I've been a stage, television, and film entertainer. . . . Then, I will share with you my most important role to date and the most important stage I've ever trod--the grandest stage of all, the stage on which we are all playing out the stories of our lives: planet Earth." --Dennis Weaver
