Beyond Boundaries: You Can't fight Love! Sherri Williams

This is the untold story of two men; best friends, who found themselves on opposite sides of the Civil War. Not only do they have to fight each other for what they believe in, but they also have to fight for who they love: each other.

At the start of the Civil war, David Murphy was only 18 years old. His best friend Adam Warner was only 16. When David went off to fight for the confederate Army, Adam was left with only his thoughts about his love for David. Tormented by not only his need to be with the man he loved, but by the confusion he felt because of his love, he set off to find David.

As the months went on, Adam would face many dangers as he went from confederate camp to camp to find David. His Journey would turn him into a man before his time and he would turn to the Union for help because of all the atrocities inflicted upon him and his family, by the Confederate Soldiers.

David, unaware of Adam's Journey, had made a name for himself with the Confederate Army and was in his Glory. Jeremiah, David's new best friend, who fought side by side with David, was in love with David as well. David knew of his love but never acted upon it, he loved Adam, but he didn't know it until he met him on the battle ground. David was torn in all directions. David had a Girlfriend, and he was to marry her, what would she think of him if she knew of his love for Adam?

Join me as we enter their lives, and watch them make history, but were never destined to be in the history books. We today, can learn a thing or two from their love story. Take to heart all that this has to offer.

You will also discover the woman who uncovered this secret past and how it has affected her life today. It is not every day you get to know your own skeletons in the closet.
