These legendary stories, from the classic first fifteen issues of Bagge's Hate comic, are a defining icon of Seattle's early 1990s culture, as well as Generation X in general. This is the first time these hilarious stories, starring the hapless Buddy Bradley and his cast of loser cohorts, have ever been available under one cover, and never have they been available at such a low price! Bagge's riotous tales of the early 1990s subculture are more hilarious now than ever, and find out why he has been praised by R. Crumb, Matt Groening, John Kricfalusi, Publishers Weekly, Entertainment Weekly and many more as a comedy genius.
