**Nemesis: A Kick-Ass Girls Club novel (Volume 1)** N. L. Gervasio

Prince Charming was a putz.

Prince Charming number two was even worse.

After the last prince ran off without any notice, breaking her heart and their engagement along the way, Nemesis Mussolini swore off men and passed the time kicking ass and slinging drinks, something her mafia father would never approve of. But, when her boss Clancy ups his flirtations, it's difficult to remember she's not interested, especially when he gets that delicious evil glint in his eye that has her melting. Just when Nemy starts to think all men might not be bad, she hears whispers about Clancy's less than legal past, and wants to run like hell from the idea that he could be just like her father.

Great . . . Prince Charming number three may possibly be on FBI's Most Wanted.

While Nemy and Clancy tumble down the romance road, hitting potholes every step of the way, Nemy discovers how much of her heart already belongs to Clancy, and how much of a Don's daughter she really is. But she must learn to trust again. Can Nemy surrender in time to get her happily ever after, or is she hell-bent on letting her past keep her from the one man who could be her true Prince Charming?
