The Silent Woman: A Western Joseph Duncan

When a terrible secret is brought to light, the members of a Texas ranching family turn on one another in an orgy of violence and destruction.

Billy Bodine dreams of a life beyond the confining borders of his family's ranch. The black sheep of his family, Billy finds his life there nearly unbearable. But when his mother, who has never uttered a word to him, tragically dies, Billy unearths a terrible and long-kept secret, and returns to the home he just escaped with vengeance in his heart and murder on his mind.

Joseph Duncan, author of the indie best selling *Oldest Living Vampire Saga*, steps outside the genre he is best known for to deliver a riveting historical thriller. *The Silent Woman* is a bloody tale of lust and revenge, set in Texas in the late 1800's, but it is more than just a western thriller. It is also a compelling study of the human condition, populated with memorable protagonists and blood-chilling villains.

A genre-defying novel, *The Silent Woman* takes the best elements of western fiction and blends them with mystery, suspense, romance and just a dash of the bloody horror that has made the indie author a fan favorite.

Published November 26, 2015 by Cobra E-books. Approximately 110,000 words.

Oh come on, that will not end up to happen if you have this with your hand. The Enjoyable blend here cannot be questionable, like treasuring beautiful island. Techniques you still want to miss it? Find this book and also read it from at this point!

Jose Rivera:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Silent Woman: A Western can make you truly feel more interested to read.
