Under God TobyMac, Michael Tait

In the same uncompromising style of *Jesus Freaks*, bestselling authors Michael Tait and TobyMac of dc Talk now urge readers to take their stand for America's future--by examining our past. Using unforgettable accounts of both famous and little-known Americans, *Under God* examines the stories of men and women who forged our nation. Against these, they pair the dark side of America's legacy--racism, slavery, injustice--in order that a new generation might seek God's face and avoid repeating sins of the past. The authors draw on the resources of WallBuilders, a national organization that distributes historical, legal, and statistical information and helps citizens become active in their communities.
