Communication Sciences Student Survival Guide NSSLHA

This book is a must-have resource for anyone considering or involved in a program of study in audiology, speech-language pathology, or speech-language-hearing sciences. Written by members of the National Student Speech Language Hearing Association (NSSLHA) with contributions from a wide range of clinical and academic professionals, this guide is relevant and useful to students who are at any point along the path towards a career in communication sciences and disorders (CSD). This comprehensive guide includes advice for students from the time they are in high school until they graduate with their master's, doctorate, and/or post-doctorate. Providing background on the disciplines, practical advice, and helpful checklists for use during a program of study this resource also includes important information on professional specialty areas, settings, and career options. This survival guide will be an invaluable companion throughout a CSD academic career.
