The Misadventure of Francis of Assisi (Franciscan Institute Publications) Jacques Dalarun

An English translation by Edward Hagman, OFM, Cap., of Jacques Dalarun's *La malavventura di Francesco d'Assisi: per un uso storico delle leggende francescane* (2002). In a tone that is profoundly personal and to the point, Dalarun offers to serve as a methodological guide in the renewed interest in the famous Franciscan Question: how best to read, interpret and relate to the early biographies to the historical Francis.
