**Of course she's obsessed with Jane Austen...**

Surrounded by appalling exes and fawning students, the only thing keeping professor Katherine Roberts sane is Jane Austen and her personal secret love for racy Regency romance novels. She thinks the Jane Austen Addicts conference in the English countryside is the perfect opportunity to escape her chaotic life and finally relax...

But then she encounters a devilishly handsome man at the conference who seems determined to sweep her off her feet. Is he more fiction than fact? Or could he be the hero she didn't know she was looking for?
