**Babycakes (Tales of the City Series)** Armistead Maupin

"An extended love letter to a magical San Francisco."

--*New York Times Book Review*

When an ordinary househusband and his ambitious wife decide to start a family, they discover there's more to making a baby than meets the eye. Help arrives in the form of a grieving gay neighbor, a visiting monarch, and the dashing young lieutenant who defects from her yacht. Bittersweet and profoundly affecting, *Babycakes* was the first work of fiction to acknowledge the arrival of AIDS.

"Armistead is a true original. His tales are bang up-to-date. They will surprise and maybe even shock you, but, I promise, they will make you laugh."

--Ian McKellen

"Maupin has a genius for observation. His characters have the timing of vaudeville comics, flawed by human frailty and fueled by blind hop."

--*Denver Post*

"Armistead Maupin's San Francisco saga careens beautifully on."

-- *New York Times Book Review*
