#### Abstract

Chronicles Two Change the World L Lisa-Marie Enaaja E "Any drug that really makes you think for yourself and question things are illegal. They don't want people exposing the truth and breaking up the herd of sheep." (Please note I'm not condoning illegal substances but Mother Nature's gifts created \& advanced in a clean scientific laboratory, like an anti-depressant) Chronicles Two Change the World is a book that caused the Author's emotional breakdown, as a result of a shallow Western Society, its contradictory laws about drugs, education, religion and other subjects. The world's unfair patterns of persecution are highlighted. This book is full of philosophical wisdom, adversity as well as common sense. The author wishes to enlighten readers giving them a greater insight and understanding into both mental illness and worldly issues. Lisa-Marie's delusional and psychotic experiences are defined in detail throughout the pages of this book. Strictly for Ages 18+
