Coach: Leadership vs. Management: What New Managers Need to Know about Coaching Stacey Pierce, Cas Starnes, J. Scott Stevens

Coach: Management vs Leadership breaks down the difference between managers and leaders. While management may be a term used in the workplace it is actually leaders that employees turn to during times of indecision. This book promotes why being able to lead is much more valuable than being able to manage. Management can be taught. Leadership is something that must develop over time. This book will not teach you to be a leader. It will however give you guidepost to learn how to manage your own leadership abilities better. As you will learn through reading the material the better you understand yourself the better you will be able to lead. If you become a strong leader your employees will want to follow you. Read this book. You will not be disappointed.
