Blane Kirk is a Navy SEAL turned high-powered attorney with old money and an even older pedigree. Yes, he plays the field, changing women as often as he changes his ties, but they're not complaining. He has only two rules – 1) Don't date employees and 2) Don't get emotionally involved. Those rules have served him well. He sees no reason to change his ways, until his Runner, an employee in his law firm named Kathleen Turner, does an unexpected face plant in his lap.

Kathleen's too young, too innocent, and suddenly much too vulnerable when her friend is murdered and Blane knows she could be next. Keeping her alive means keeping her close, but can Blane keep her safe...from him? Kathleen's like no woman he's ever met, and protecting her could be the one thing he never expected that would make his life turn on a dime.

TURN ON A DIME – BLANE'S TURN is a companion novel to NO TURNING BACK, Book One in The Kathleen Turner Series.
