Awakening from Cancer Mary G. Montgomery

In 2004, Mary Montgomery was diagnosed with breast cancer. Instead of pursuing traditional health care, she sought out one of North America's top doctors of Oriental Medicine. During an acupuncture session with him, her life dramatically changed.

As soon as he closed the door behind him, she writes, I became aware of my Guides in the room. I didn't really see them; I felt their presence. And a sense of urgency in the air.

Then they spoke.

"We can cure you quickly if you make a promise to us."

Thus began a series of conversations that showed Mary how to walk through this hell and out the other side.
