Danger In The Desert T. S. Fields

Scott and Robbie always wanted candy and root beer for dinner, but now they've got their wish, and it doesn't sound so good. They've been kidnapped in their mother's station wagon and left in the brutally hot desert with no food or water. When night comes-darker than they ever thought night could be and bringing coyotes and snakes-the brothers, eleven and nine, have to face the possibility that they might not be rescued. It's up to them to survive, using only what they happen to have in the station wagon. How can a pair of shoes, a set of hubcaps, and the contents of their mother's shopping bags be used for desert survival? You won't be able to stop reading until you find out.
