Owned Lucia Jordan

Here is the first book in the 'Owned' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion and emotion.

Jennifer Klaus stares down, flustered, at the business card in her hand...

Mason Carmichael's name, a mysterious and sexy stranger, captures her gaze just like his gray eyes had captured Jennifer in the restaurant where she went looking for a new job. She can't bring herself to call him—he was both confident and intimidating. Just remembering the way he had looked at her makes her hot and her body tingle.

But Mason has plans for her. He is fuelled with a deep craving to make her his. When she declines, his desire intensifies until Jennifer cannot help but be swept away in the tornado of daring passion that is Mason Carmichael.

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
