Unbearable Weight: Feminism, Western Culture, and the Body, Tenth Anniversary Edition Susan Bordo, Leslie Heywood

"*Unbearable Weight* is brilliant. From an immensely knowledgeable feminist perspective, in engaging, jargonless (!) prose, Bordo analyzes a whole range of issues connected to the body—weight and weight loss, exercise, media images, movies, advertising, anorexia and bulimia, and much more—in a way that makes sense of our current social landscape—finally! This is a great book for anyone who wonders why women's magazines are always describing delicious food as 'sinful' and why there is a cake called Death by Chocolate. Loved it!"—Katha Pollitt, Nation columnist and author of *Subject to Debate: Sense and Dissents on Women, Politics, and Culture* (2001)
