Designed for the one-semester course, *Seeley's Essentials of Anatomy and Physiology* is written to allow instructors the ability to accomplish one overall goal: to teach the basics of A&P while fostering the skill of problem solving. Through learning how to solve problems and think critically, students learn A&P based on two themes: the relationship between structure and function, and homeostasis.

Users who purchase Connect Plus receive access to the full online ebook version of the textbook, as well as SmartBook.
