So, You Want to be an RVer?: Celebrating the RV Lifestyle John Huggins, Kathy Huggins

Have you ever been driving down the highway and seen an RV headed in the other direction and thought, “That could be us.”? Most people have. If you’re thinking or dreaming about becoming an RVer, then this is the book for you. In it you will find what we’ve learned (often the hard way) in over ten years of full-time RVing, but all the information is aimed at part timers and weekenders as well. We provide numerous tested links to the websites of those experts we look up to. The advice we offer is based on our own experience. We take you from doing the initial homework, to choosing the right rig, to the buying process, where to camp, and way beyond. We discuss what you need to have in your rig and why. If you are interested in budgeting for full-time RVing, communicating on the road, boondocking or workamping, we discuss them at length along with many other topics. We wind it up with a chapter on our most memorable lessons learned. Yes, that includes the infamous black water dance. This book would also make a great gift for a would-be RVer or for folks who wonder why we do this.
