Struck from Behind: My Memories of God James C. Howell

Struck from Behind is a memoir-but not the usual narrative of events. James Howell tells intriguing stories from childhood, romantic life, travel, friendships, tragedies, and wonders, and how God was there, although unnoticed or uninvited at the time. By sharing in retrospect how he now understands God's presence in seemingly mundane moments, we begin to sense something of God's way in the world, and in our own lives. Howell has been a successful pastor and published theologian. In Struck from Behind he opens up his own private life as a window into God's hidden activity. When he remembers, then we too remember God, and begin to notice, and become grateful.
