A previous winner of the Professional Bull Riders' gold belt buckle, Jodie Cahill plans to ride again. But fate intervenes in the form of a broken wrist, and keeps her from winning another buckle. When the CEO of the PBR offers her a three-month tour on the circuit working as a judge and traveling with a combination newspaper/magazine reporter/novelist, she takes the job. James Moses Crowe jumps at the chance to travel with Jodie Cahill. For years he's been trying to get her off his mind and out of his heart. Now he has the opportunity to do both. It doesn't work. In the course of the trip, they both have to face their own feelings and wonder if, in the end, they will bless or curse the broken road that caused them to run smack into each other.
