Understanding Conflict Resolution: War, Peace and the Global System

Peter Wallensteen

Understanding Conflict Resolution: War, Peace and the Global System Peter Wallensteen

Understanding Conflict Resolution draws on recent and classic research from around the world, linking the theory of conflict resolution to in-depth case studies throughout, and posing key questions regarding the future of conflict resolution. The first part reviews the development of conflict resolution since the Cold War and demonstrates the various approaches to conflict analysis. The core of the book explores the settlement of three major types of international conflict: inter-state, internal and those arising from state formation. In the final part, regional and international approaches are examined, including developments in Un reform and the increasing importance of civil society organizations. New to this edition is the extensive consideration of peace-building, the relationship between peace and justice, disarmament, and gender-peace connections.

Just read this e-book type for your better life and knowledge.

Rick Braden:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Understanding Conflict Resolution: War, Peace and the Global

System can make you feel more interested to read.
