Wild Indiana Michael Habeck

Wild Indiana is a guide to more than one hundred and fifty of the Hoosier State's best outdoor destinations. It may be hard to believe, but there really are sand dunes, prairies, old growth forests, and other natural wonders left in Indiana. This book will show you how to get to those places, and tells you what to expect once you arrive. Wild Indiana contains more than 160 maps and 65 illustrations. Each destination entry includes GPS coordinates, detailed driving instructions, references, and a short narrative description. I've been traipsing around Indiana for more than twenty years. During that time, I've explored every destination in this book (and many others), most of them repeatedly. Wild Indiana is a compendium of my favorites. I hope that it will help you enjoy visiting natural Indiana as much as I have.
