You are hopelessly in love with a girl, but you're also hopelessly out of her league. You are weak, you are poor, your parents are dead. And the last person who understands you is dying. And your worst secret: you murdered another boy. Meet Jake Walker. Awake, he's a clumsy, hopelessly romantic boy who couldn't even tell Claire how much he loves her. Asleep, he has the strange power to make people's dreams--even nightmares--come true. Jake's problem is sometimes he couldn't control the nightmares—they tend to overwhelm him, even pushing him to kill another boy. When Nightmare Number 1, courtesy of the very demon that slaughtered Jake's family, finds a way to leak into the real world and puts Claire's life at the edge of the demon's axe, Jake must make the ultimate sacrifice to save her—and everyone else. Find out the unspeakable things Jake does in 'Dream Boy'.
