Jody Thomae

God's Creative Gift is an in-depth study for Christian creatives, artists and worshipers. It is intended for both professional and lay artists, for the casual crafter and hobbyist, and for those in both sacred and secular settings. It is for those who see things where others do not and for those whose imaginations cannot be confined by religious dogma and tradition. For musicians, singers, painters, sculptors, dancers, dramatists, writers, poets, carvers, weavers, film editors, photographers, filmmakers, architects, designers---anyone who finds inspiration in creativity. Focusing on the creative spirit within, it is designed to help you draw your inspiration from a Deeper Source. It is deeply rooted in Scripture---for the creative Christian must enter into the Word of God on a regular basis in order to know the choreographer of her steps, the crafter of her designs, the author and perfecter of his faith, and the sculptor of his creative heart, soul, mind, and body. And to know Him intimately.

Great resource for both individual and group study.
