## **Blessings from Our Mother** Aaron Carlisle

Blessings from Our Mother details the experiences that led this writer to break any and all contact with his family. To most, family is their world. This was no different for the writer in question. However, 23 years of narcissistic abuse and parental neglect took their toll on the struggling teenager who thankfully made it through to the other side. Highly cathartic - yet easy on the eyes. Walk with me as we emerge from the darkness that nearly took this author's life. Many blessings!
