The first acceptance of paranoid awareness is that nothing is as it seems. This is the key to understanding the conspiracy of nature, the "matrix" that constitutes the foundation of paranoid awareness, and the forerunner to the lucid view. Paranoid awareness asks the question: Supposing the Truth happens to more or less coincide with what has been hitherto designated as impossible? Supposing what we call Reason has been a plot to systematically cut off all phenomena and thoughts that refuse to submit to its own arbitrary model of reality? Supposing ninety five percent of what is really going on in the world has been suppressed and damned, in order to maintain the current illusion of Consensus "Reality"? Supposing, in a word, that REALITY IS ELSEWHERE? This is the premise of The Lucid View. Consensus Reality is the ultimate secret society. It is so secret that even its members are unaware of its existence. Consensus Reality is a conspiracy to uphold the world. It is the means by which we communicate and agree upon the way things are, and the way they must be. So far as it is a functioning model, such a Consensus is valid. Insofar as it is not a functioning model, and is, as in our present case, on the verge of total breakdown, then such a Consensus is by definition invalid. At this point, it therefore becomes the right and responsibility of every thinking member of society to cancel his membership, and to option a new, higher or broader concept of "reality." This is The Lucid View. The Lucid View: Investigations in Eschatology and Paranoid Awareness An unorthodox analysis of conspiracy theory, ufology, extraterrestrialism, and occultism, The Lucid View takes us on an impartial journey through secret history, from the Gnostics and Templars, Crowley and Hitler's occult alliance, the sorcery wars of Freemasonry and the Illuminati, "Alternative Three" covert space colonization, the JFK assassination, the Manson murders, Jonestown, 9/11, into Ufos and alien abductions, their relations to mind control technology and sorcery practices, with reference to inorganic beings and Kundalini energy. The book offers a balanced overview on religious, magical and paranoid beliefs as pertaining to the 21st century, and their social, psychological, and spiritual implications for humanity, the leading game player in the grand mythic drama of Armageddon.
