Geoffrey Till

Understanding Victory: Naval Operations from Trafalgar to the Falklands (War, Technology, and History) Geoffrey Till

Using four warship-centered examples, this book shows how naval battles are won or lost?and how technological advantage is rarely as decisive in defeat or victory as is often claimed.

- Focuses on four ship-centered battle narratives: the battle of Trafalgar, the battle of Jutland, the sinking of the *Prince of Wales* and *Repulse*, and the Falklands War
- Identifies 11 perspectives that explain victory and defeat in naval operations
- Provides a history-based survey of successful naval operations while highlighting the nature of naval operations in the 21st century
- Presents information written in a clear, reader-friendly style without compromising on its scholarly standards of content and accuracy
- Offers fascinating reading for naval college students, general audiences who enjoy naval history, and naval historians alike
