Suddenly, my pain and anger honed themselves into a sharp point, one aimed directly at the goddess's heart. She had been controlling Cade's life, my life, for far too long. And then, in a powerful wave of realization strong enough to sweep the frantic tornado in my mind off course and force the air from my lungs, I understood what I needed to do . . .

Meghan Elam knows that she belongs in the Otherworld, but she doesn't know if she's quite ready to take that leap. With Cade on the mend and her mortal family aware of their daughter's true identity, everything seems lined up for her to make a smooth transition into her new life. Unfortunately, Meghan has a mortal enemy, an angry goddess who has not yet given up on her chance for revenge.

As Meghan struggles to find her place in Eile, secrets from a past she knows nothing about well up and threaten to tip the scales even further. And when the Morrigan vows to bring a war down upon the Otherworld, she finds herself stuck in the middle of an epic battle, one that promises to destroy all that she holds dear. In order to save the ones she loves the most, Meghan must be prepared to make the ultimate sacrifice and hope that she will be strong enough to vanquish her enemy once and for all.
