A Billionaire Rockstar Romance Series that will rock you to your core...

When the driven and guarded entertainment journalist Giavanna Lacey first encountered the sexy, high profile, alpha male rockstar Christoff Diemacht Hartmann it ignited a white hot sensual romance that rocked both of them to their core. Although the odds were stacked against them their insatiable hunger for each other inevitably drew them back together.

Now, Giavanna and Christoff seem to have it all— true love, overwhelming passion, deep intimacy, and seemingly limitless wealth. But despite their dazzling lifestyle, like every couple they must fight for what they have. Giavanna's spirit is broken and battered by a BDSM relationship from the past that was so dark it changed who she was. She must learn to allow herself to be loved in the way that she deserves. And Christoff must overcome his own inner demons while he struggles to help Gia find her light again.

Just when it seems that together there is nothing that they can't overcome envy, deception and scandal bring Giavanna's worst nightmares to life and threatens everything that she and Christoff have worked so hard to protect.
