The Essential Ellen Willis

Ellen Willis

The Essential Ellen Willis Ellen Willis

Out of the Vinyl Deeps, published in 2011, introduced a new generation to the incisive, witty, and merciless voice of Ellen Willis through her pioneering rock music criticism. In the years that followed, Willis's daring insights went beyond popular music, taking on such issues as pornography, religion, feminism, war, and drugs.

The Essential Ellen Willis gathers writings that span forty years and are both deeply engaged with the times in which they were first published and yet remain fresh and relevant amid today's seemingly intractable political and cultural battles. Whether addressing the women's movement, sex and abortion, race and class, or war and terrorism, Willis brought to each a distinctive attitude—passionate yet ironic, clear-sighted yet hopeful.

Offering a compelling and cohesive narrative of Willis's liberationist "transcendence politics," the essays—among them previously unpublished and uncollected pieces—are organized by decade from the 1960s to the 2000s, with each section introduced by young writers who share Willis's intellectual bravery, curiosity, and lucidity: Irin Carmon, Spencer Ackerman, Cord Jefferson, Ann Friedman, and Sara Marcus. *The Essential Ellen Willis* concludes with excerpts from Willis's unfinished book about politics and the cultural unconscious, introduced by her longtime partner, Stanley Aronowitz. An invaluable reckoning of American society since the 1960s, this volume is a testament to an iconoclastic and fiercely original voice.

From reader reviews:

Jarred Chisolm:

What do you concerning book? It is not important together with you? Or just adding material when you need something to explain what yours problem? How about your time? Or are you busy individual? If you don't have spare time to complete others business, it is make you feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They need to answer that question due to the fact just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this particular The Essential Ellen Willis to read.

Donald Worsley:

Information is provisions for those to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even restricted. What people must be consider if those information which is from the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you receive the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Essential Ellen Willis as the daily resource information.

Kim Heflin:

Typically the book The Essential Ellen Willis has a lot of information on it. So when you read this book you can get a lot of gain. The book was authored by the very famous author. This articles author makes some research ahead of write this book. This kind of book very easy to read you can find the point easily after reading this article book.

Andre Barrett:

This The Essential Ellen Willis is great book for you because the content and that is full of information for you who else always deal with world and have to make decision every minute. That book reveal it information accurately using great plan word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but difficult core information with splendid delivering sentences. Having The Essential Ellen Willis in your hand like obtaining the world in your arm, data in it is not ridiculous one. We can say that no guide that offer you world in ten or fifteen minute right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. busy do you still doubt in which?
